

Dear Basketball Coaches & Officials,

December 19, 2006

Happy Holidays and best wishes for a joyous holiday season! The basketball season is an extremely busy time for everyone of us, however I urge you to find time to take the opportunity to spend some quality time with your family and friends, and enjoy the holiday break.

ATHLETIC DIRECTORS & COACHES

We need your cooperation pertaining to end of game procedures. I know a good share of you Athletic Directors/on duty administrator, meet officials immediately after games and escort them to their locker rooms. However, we have experienced several situations already in this young basketball season of coaches chasing officials in the hallways or entering the official's locker room after the game and making inappropriate comments to them. This is NOT acceptable behavior, and coaches, this is not what you represent as a coach and role model for our student athletes. We appreciate your attention to this very important concern.

COACHES & OFFICIALS

1. I received my first basketball-related e-mail of the year and it held true to form. A former coach was watching a game and sent an e-mail the following day stating that the game needs to be cleaned up and it was way too physical with lots of hands and body contact. He stated that post play was physical numerous times and there was no attempt to clean it up. Officials, please read the materials sent to you pertaining to rough play and hand checking, and apply these rules. This also applies to displacement of an offensive or defensive player. Tough calls are often made late in the game, because they were not made earlier in the game.

2. **SCREENING:** A screen is a legal action by a player who, **without causing contact**, delays or prevents an opponent from reaching a desired position.

To Establish a Legal Screening Position:

- * The screener may face any direction
- * Time and distance are relevant
- * The screener must be stationary, except when both are moving in the same path and the same direction.
- * When screening a stationary opponent from the front or side, the screener may be anywhere short of contact.
- * When screening a stationary opponent from behind, the screener must allow the opponent one normal step backward without contact.
- * When screening a moving opponent, the screener must allow the opponent time and distance to avoid contact. The distance need not be more than two strides.
- * When screening an opponent who is moving in the same path and direction as the screener is moving, the opponent is responsible for contact if the screener slows up or stops.

COACHES

1. **BASKETBALL SEEDING INFORMATION** was sent out to all schools on December 8. Coaches, if you have any questions regarding basketball seeding, please contact your Athletic Director.

2. If you have a weather postponement or have a rescheduled game, please notify **Bud Legg** as soon as possible. You can e-mail him at blegg@iahsaa.org or by calling him at the IHSAA at (515) 432-2011 (Monday through Friday) or at home on Saturday at (515) 232-0775.

4. Our center official in 3 needs to work from the free-throw line extended and lower. I see a number of centers working free-throw line extended to the top of the circle and a majority of the time, this is too far back. Leads need to be more active. When post players go to the other side of the lane, you need to go as well. The post players are your primary.

20 ITEMS TO THINK ABOUT

1. Good pregame is a must
2. Floor coverage vs gray area, stay in your primary and work it hard
3. Know ball status, be active in Lead position
4. Clean up the post play and hand checking
5. Read your keys and know when to rotate
6. Officiate the shooter from start to finish
7. Work on traveling, know the pivot foot
8. Know where the defender is on block/charge situations
9. Don't be afraid to ask for help on tipped balls
10. Know your positions on time-outs and between quarters,
always have one official located where the ball will be put into play next.
11. Know when the bonus is in effect.
12. Center always help with the press (3 person), new lead in 2 person
13. Referee players back to their feet if two players get tangled up and go down
14. Know if the screen was legal (back-side-front)
15. Count basket at the spot as well as the table and the same procedure applies if you wave a basket off.
16. Let the horn bring in the subs, that way you know they have reported,
remind the table not to blow the horn until all subs are entered in the book
17. Count players following any possible substitution situations
18. Use proper mechanics
19. Have a strong whistle
20. Hustle, there is no substitute!!

CLOSING

The IHSAA wants to wish each one of you a Merry Christmas and Happy Holiday. Please take time to spend precious moments with family and friends.

When the One Great Scorer comes to write against your name, He writes not that you won or lost, but how you played the game.

The ultimate measure of man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.

--Dr. Martin Luther King, Jr.

Have a safe and blessed holiday season.

Roger Barr
Director of Officials

IOWA HALL of PRIDE

**To: IHSAA Basketball Officials
From: Randy Krejci
Date: December 2006**

Greetings Fellow Basketball Officials,

I have been asked by Jack Lashier the Director of the Iowa Hall of Pride, to write a letter encouraging your support of the Iowa Hall of Pride, and I am very willing to do just that.

If you have not taken the opportunity to visit the Hall of Pride, it is definitely something I would encourage you to do. It truly is a wonderful tribute to education in our state and I know you will be impressed with what is assembled there.

The Basketball Exhibits are among the “Hall of Pride’s” signature exhibits. These exhibits include tributes to boys basketball and the five and six-girl games.

Each of the exhibits is filled with video interviews, highlights of state tournament action, tributes to coaches, players and communities. Among those interviewed are: Deb Coates, Lynn Lorenzen, Lisa Brinkmeyer, Deb Remerde, Nick Collison, Jess Settles, Ryan Bowen and Gary Thompson.

There are complete listings of players and coaches who have been inducted into the various Halls of Fame. There is just so much to see and do that you could literally spend hours exploring just the basketball exhibits!

Additionally, the Official’s Exhibit is a “Must See”. It includes video interviews with the following officials: Jenni Malsam, Bob Bowlsby, Rick Wulkow, Arlo Flege, Cal Harms, Ray Lounsberry, and Gary Christiansen among others. There is also a listing of all members of the Official’s Hall Of Fame. It too is a wonderful tribute to this activity we love so much!

The Iowa Hall of Pride is beginning a new membership campaign. Enclosed in this mailing is a brochure that describes how you can support the Hall of Pride through an annual membership. Please take a look at it and if you are so inclined join me in becoming a member of the Iowa Hall of Pride. I believe it is a great way for officials to exhibit our support for this amazing facility.

Thanks for your consideration.

**Sincerely,
Randy**

IOWA HALL of PRIDE

Become a member of the Iowa Hall of Pride. Filled with dozens of hands-on interactive exhibits, the Hall of Pride tells the stories of Iowa's communities and their heroes.

Your membership helps the Iowa Hall of Pride expand on its mission. From school groups, to civic organizations, to families, and out-of-state visitors--the Iowa Hall of Pride provides a unique perspective on the state. This facility imparts a sense of place to all who visit and preserves our heritage.

The three A's of Iowa—Academics, Athletics and the Arts—come to life in the Iowa Hall of Pride.

Come stroll the Hall of Heroes, featuring notable Iowans in real interviews--immerse yourself in the sights, sounds and faces of Iowa. Relive the stories, relive the glories.
